

College Day

Friday, November 14, 2008

8:30-2:00

Corning Community College
1 Academic Way
Corning
Commons Building, Triangle Lounge

This event is intended for students who are seniors and interested in attending college. Topics will include: time management, study skills, learning styles, understanding your disability and how to be a successful learner, self-advocacy, your rights and responsibilities under the ADA and the differences in accommodations at high school and in college. Session content can be applied at any college and this session is not intended only for students planning to attend CCC.

Presenters are:

Kathy Pettet, Director of Student Disabilities Services at Corning Community College

and

Bethany Kellogg, Academic Advisor/Coordinator of Peer Advisors and Instructor for the First Year Success Program at Metropolitan State College of Denver

Please confirm registration by November 10, 2008. Fax your registration to Denise Bates at (607) 324-5893. If you have questions please email Jill Durkin at [jdurkin@gstboeces.org](mailto:jdurkin@gstbooces.org) or phone (607) 377-1157.
