Each year employers, local adult agencies and colleges volunteer their time and talent to support the youth of this region. The Career Fair provides an opportunity for your students to participate in mock interviews with local employers to receive feedback related to their performance and to gain tips to land the job they desire. Students and teachers will also have an opportunity to speak with VESID, local adult agencies and local colleges about application, eligibility, services and opportunities for support.

Please confirm registration by January 30, 2009. Fax your registration to Denise Bates at (607) 324-5893. If you have questions please email Jill Durkin at jdurkin@gstboces.org or phone (607) 377-1157.
