

JOB COACH TRAINING SERIES

Intended Audience: Individuals working directly with students in community or school based internships and work experience programs, including paraprofessionals, special education teachers and transition coordinators.

COMPLETED...

- July 15, 2008—Orientation to Supported Employment
- July 16, 2008—Job Coach I
- July 17, 2008—Job Coach II

NEXT IN SERIES...

March 4, 2009—Functional and Situational Assessment

8:30-3:00

Radisson Hotel
125 Denison Pkwy E
Corning, NY

The training will provide an overview of methods and tools for creating objective, well-documented situational assessments. Topics will include: Vocational Assessment Overview, Functional Capacity Assessments, Job Analysis, and Standardized Rating Forms

March 24, 2009—Counseling Skills for Direct Service Providers

8:30-3:00

Radisson Hotel
125 Denison Pkwy E
Corning, NY

Direct service staff are frequently the first to encounter consumers who are feeling upset, distressed or who just need to talk. This workshop will provide rehabilitation staff with the basic counseling skills to improve professional-consumer relationships and alleviate situational problems or distress. An emphasis will be placed on the development of attending and listening skills, professional boundaries, and strategies to manage emotional situations.

April 8, 2009—Documentation and Record Keeping

8:30-3:00

Radisson Hotel
125 Denison Pkwy E
Corning, NY

A must-have workshop for any staff working in a VESID Funded Supported Employment Program. The group will explore the ins and outs of completing the documentation required to provide quality supported employment services.

May 6, 2009—Training Techniques

8:30-3:00

Radisson Hotel
125 Denison Pkwy E
Corning, NY

Learn techniques of teaching/training that incorporate personality plus learning styles and learning environments. Gain clarity about how your own style affects the way that you teach.

Attendance at all seven trainings is required for a certificate of completion, issued by the Model Transition Program-University at Buffalo. Pre-registration is mandatory for materials.

To register for one or all trainings in the series:
