

MODEL TRANSITION PROGRAM REGIONAL TRAINING CONFERENCE

Career Development: A Step by Step Process
Trainer: Diane Vigrass

This training will explain the development and implementation of the career development processes in a step-by-step format for professionals interested in integrating career development activities. It introduces hands-on activities that staff can adapt for use in working with students while exploring career options. Participants will:

- gain an understanding of how self-knowledge can be used to explore meaningful career goals.
- explore the various stages of career development and discuss how to implement these methods in their interactions with students.
- discuss how VESID and other adult service delivery systems might be able to assist students throughout the career development process.
- walk away with a “Career Development Starter Kit”
