

College Day

***Monday October 26, 2009
9:30-1:30***

Corning Community College
1 Academic Way
Corning
Commons Building, Triangle Lounge

This event is intended for students who are juniors or seniors and interested in attending college. Topics will include, time management, study skills, learning styles, understanding your disability and how to be a successful learner, self-advocacy, your rights and responsibilities under the ADA and the differences in accommodations at high school and in college. This event is hosted not only for those interested in CCC as the session content can be applied to any college setting.

Presented by:

Bethany Kellogg, Academic Advisor/Coordinator of Peer Advisors and Instructor for the First Year Success Program at University of Colorado Denver.

Please confirm registration by October 19, 2009. Fax your registration to Denise Bates (607) 324-5893. If you have questions please email Jill Durkin at jdurkin@gstbooces.org or phone (607) 377-1157.
