

TSG Meeting Summary
April 12, 2010

- Cindy Singer, VESID Update:
 - Deadline for referrals seeking college sponsorship is April 15th
 - Clarification of documentation needs to support mental health disability. A recommended form will be available with other VESID referral materials on the MTP website.
 - Discussion about the requirement for psychological evaluations. VESID is requesting adult norms, WAIS rather than WISC. A full psychological rather than a one-page summary update. If referrals are received without this psychological. VESID will work with the school and the parent's insurance carrier to determine the potential for comparable benefits.
 - Discussion about accommodations in the college environment.

- Transqual Discussion
 - Some individuals report difficulty accessing the website.
 - In small groups, reviewed the assessment and began to discuss needs revealed.
